Arts week

Welcome back!

The children have all come back in ready to focus and have got straight back into learning. They are also enjoying our Arts week that is running alongside normal curriculum this week. As part of this all the children are working in small groups with artist Julie Harrison making felt wall hangings depicting our local and school environment. We are grateful to Cartmel Old Grammar School

fund which has provided a donation for our Arts week.

School photo orders – last chance

If you would like to order a group photo, could you please send the order form back to school by tomorrow.

Dates for this term

As always, there is lots on in the Summer Term. Please refer to the school website for a full list of dates.

Advance notice – Easter holidays 2018-19

Term dates for the next 2 years are on the school website. They are the same as all the other local schools including the secondary schools. I thought you may not have noticed yet that our school holidays next Easter fall outside of the Easter weekend. We break up for the Easter holidays on Friday 29th March and return to school on Monday 15th April. The children are then off again for the Easter weekend on Friday 19th April and Monday 22nd April. This will obviously have implications for parents so I thought I would flag it up to you now.

Updating parents on your child's progress

In February you received the mid-year report and discussed your child's progress with their teachers. The next full report will be at the end of June. However, we are always happy to update parents on progress or to answer any queries that you may have about homework, how something is taught or anything else. Please just ask the teacher for an appointment or ask Wendy in the office to arrange it for you. We are also really happy to welcome you into school at the end of the day if you would like to see something that your child has made or been working on, or have a look at their work books.

FOLS meeting

Our next FOLS meeting is this Wednesday 18th April at 7.30pm at the Royal Oak in Lindale. All are welcome to come and share ideas for fundraising and community events.
