Royal Wedding Party

We had a fantastic party to celebrate the wedding of Prince Harry and Megan Markle. The children learnt lots about the Royal family and the monarchy as well as having great fun in the sunshine. Thank you very much to parents who made such amazing cakes for the party. The children looked great in their red, white and blue and if you look closely at the photo, you will see we had some royal visitors as well!

Thank you FOLS

A huge thank you to FOLS who recently bought new computing equipment for school as a result of the Christmas raffle fund raising. This has meant that the children have been able to move onto the next level in programming spheros. Not only is this quite challenging computer science, but it is also something that the children really love doing. Mrs O’Kane is going to be working with Miss Massey and Mrs Law with ideas of how to use them with the youngest children. Thanks also to everyone who supports the FOLS events; we couldn’t do lots of the exciting things we do in school without FOLS support.

Summer weather

Just a reminder as (hopefully) the fine weather is set to continue, that the children need hats and water bottles for playtime. Sun cream is best applied before school but can be sent for the children to reapply if needed.

Odd jobs

As with all schools, our budget is extremely tight and from time to time we find that we are having to pay for small jobs around school such as putting catches on doors, small painting jobs, repairs etc. If any parent or grandparent or friend of the school, felt that this is something you could volunteer to help with, that would be really helpful and would free up our budget to be spent more directly on the children.

Computers and changing reading books before school

I mentioned this in the last newsletter and some parents have come in at 8.30am to support their child with Mathletics, literacy websites eg. SPAG.com and changing library books. This is always available if you would like to make use of that time before school. Please come in through the front door and sign in.

Dates

Please see dates over the page – please note changed date of cycle ride.

Best wishes

Sarah Coleman

Dates for your diary and information:

Thursday 7 th June	South Lakes Tri-golf. Year 5&6 team.
Friday 8 th June	Cricket coaching. Years 3-6
Tuesday 12 th June	New starters parents evening 6pm
