## **PANTASTIC**

A huge thank you to all the parents who have worked so hard to help with our Pantastic.

Yesterday we had our first wonderful performance of 'Pantastic.' It is a real treat to see how confident the children are, and how much they enjoy performing! If you would like to invite any friends or family, there will be tickets available on the door for Thursday afternoon's performance. Thursday night is sold out.

## **Thank you FOLS**

I am sure that you will all join me and the rest of the staff in thanking all those parents who have worked really hard; helping with the Pantastic performances, organising and serving refreshments and organising an amazing raffle. If you haven't yet bought your tickets, they will be available at the performances and from the office.

## **Christmas greetings**

In the school entrance, we have placed a Christmas message tree. We invite anyone who would like to write a message and tie it to our tree as an alternative to sending cards. There is a donation box for Jigsaw Children's hospice if anyone would like to put in a gift.

## **Food brought into school**

Quite often, parents bring food into school to either contribute to a topic or as a birthday celebration. This is always exciting, and parents who bring the food in normally tell us the ingredients. However, sometimes older children just bring food items in, having made them with parents at home. In this instance, please can parents also send a list of ingredients, so that we can check who is able to consume them.
