

## Lindale C of E Primary School

Lindale C of E Primary School is a small, rural school with 54 children between four classes (Reception and Nursery, year 1 and 2, year 3 and 4 and year 5 and 6).

### Outside area

Outside there is lots of equipment like the gazebo with animal cushions which people like to lie on and talk to their friends at break time. There is also a climbing frame near the bottom of the field next to the climbing poles which includes bars, a climbing net and tyres. There are climbing poles which you can climb up or you can climb from pole to pole and they are quite easy to use and if you do fall you won't hurt yourself because it's not very tall and you'll only fall on grass. The rope and pulley system is where you put rocks and sticks in a bucket and then you pull the rope and the bucket and the bucket moves then you put the contents of the bucket in the weighing scales and you see how heavy it is. Also, the decking is a good place to meet with your friends and it is a good shelter for rainy days.

### Equipment

Lindale school has lots of useful equipment like laptops for accessing the internet and typing up your work. There are iPads as well in case you don't want to use a computer or if you can't get a laptop. Lindale School supplies book so that you don't need to bring your own to school every day. You are also given pencil cases if you don't have one or if you don't want to bring it to school but if you do want to then you are allowed to bring it to school to take home or stay at school.
