

Lindale C of E Primary School

Lindale C of E Primary School is a rural school. On roll, there are 54 pupils including nursery. It is located in Lindale, Grange-Over-Sands. The classroom groups are currently nursery, reception, year one and two, year three and four and finally, year five and six. It is a Church of England School.

Outstanding Outside Areas

In Summer 2022, the school had magnificent markings planted on the path all around the field because they want to improve the children's learning. Whenever someone wants to do miles, they can hop, jump, sprint, balance or lunge. Meanwhile, at the bottom of the field, a new gazebo has been provided as a quiet area for everyone to have a conversation with their peers. The gazebo is also a place to eat snacks at break times. One of the great pleasures of the gazebo is the beanbags because they are comfortable to relax on; they are made to look like animals. These wonderful woodland creatures are: a peaceful penguin, a perky parrot, a happy hedgehog and an impressive insect.

Super Staff

The stupendous staff are: Mrs Curwen, (The Headmistress and Year 5 and 6 teacher) Mrs Coulston (Teaching assistant). Mrs Watson (The main teacher of year three and four) and Miss Dickinson (Teaching assistant). Mrs Lishman is a teaching assistant and a lunchtime supervisor. Mrs Law, Miss Barker, Mr Rogers and Miss Snelson all teach reception and year one and two. Finally, Lucy, Claire and Amy teach in Nursery. All of these teachers are wonderful, understanding, kind, patient and funny. Mrs Wood is fabulous at sorting out forms, sending out letters and keeping everything organised. (Mrs Wood is the school office manager).

Classy Classrooms

In this rural, lovely school they have nursery, reception, year one and two, year three and four and finally year five and six classrooms. All of these classes are inspirational, educational, exiting, fun, helpful and pretty. They are also tidy, looked after and very well kept. There is a selection of biblical and non-biblical books in year five and six including a library next to the year three and four classroom.

Lovely Lessons

This super school do lots of arty, fun, and interesting things. These lovely lessons are: English, Maths, Science, P.E, Music, Art, D.T, Computing, Geography, History, R.E, P.S.H.E and French. Some of the things we do in P.E are: dodgeball, cricket, netball, football, hockey and benchball. The school's P.E lead is Miss Barker however the teacher is Mrs Watson.

In conclusion, this school is amazing and welcomes everyone and will always accept new students with a loving and happy heart.
